PROFILE

I am a UI/UX designer with a background in creating user-centric digital experiences. I am able to design for both web and mobile platforms, with experience in applying user research, wireframing, and iterative design to develop intuitive interfaces. I also work well within teams, collaborating to translate user needs and business goals into clear and functional design solutions.

EXPERIENCE

MARKETING DESIGNER INTERNSHIP

BlueTel Networks Pte Ltd

2025-2026

- Revamped website for UI/UX and mobile responsiveness
